# State Street Corporation

- Industry:  
Finance/Banking - Financial Services/Planning
- Organization URL:  
[www.statestreet.com/careers](http://www.statestreet.com/careers)
- Organization Description:  
State Street is the world's leading provider of services to institutional investors. Our clients are some of the world's most sophisticated and influential investors and have a broad array of complex and specialized servicing requirements. We offer three core capabilities — investment servicing, investment management and investment research and trading — that can be used independently or together to fuel our clients' business strategies.  
  
For decades, we have been committed to ensuring that our clients' assets perform as well as they can, while being as safe as they can be. Although our clients are all institutional investors, each has a distinct set of servicing needs.
